Life with Hurricane Florence

by Bill Smith, President, #7126 Life Member

For more than a week we waited and watched, tracking the path of Hurricane Florence across the Atlantic. As the storm approached, the community tried to determine if Hatteras Island would fall into the storm's path.

Florence drifted south and we made the decision to stay on the island. The choice to evacuate can often turn into days or weeks before you are allowed to return home, a strong determining factor in the decision of many.

Once determined to stay, the storm preparation began. It's a time for putting things up, securing items around

the house, nailing up plywood and rolling down shutters. Supply runs were completed, securing ice, water, extra food, batteries and other essentials.

Joining many around us who were also exhausted from the effort, my gracious wife organized a pre-storm gathering of friends and neighbors. It was a perfect event, allowing everyone a break, with a chance for fellowship and laughter before Florence arrived the following day.

Thursday afternoon, the winds began in earnest, By five o'clock they had

intensified and a heavy rain was falling. The wind and rain continued after dark and we headed for bed, always with the thoughts of what you might find come morning's light.

Friday morning dawned gray and humid with bands of wind and rain continuing to move through. We checked the house and the neighborhood, compared stories with neighbors and found how lucky we all had been. An additional shift to the south had taken the island further from the force of Florence's path.

We began the process of putting

things back to normal while keeping the folks to the south in both our thoughts and prayers. Moving at only three miles per hour, Florence continued causing havoc across southeastern North Carolina and northeastern South Carolina.

The threat of hurricanes and other storms are a trade-off that comes with life on a barrier island. We had survived the threat of Florence but will continue to keep a close watch on the Atlantic as we have a few weeks of this year's hurricane season still to pass.

The washout at the S curve at Mirlo Beach, Rodanthe, after Hurricane Florence (Reprint from NC DOT NC 12 Facebook)

Update on Beaches Post Hurricane Florence

Cape Point Reopens

In the aftermath of Hurricane Florence, access to Cape Point has been reopened.

Superintendent David Hallac reported substantial beach erosion in some areas following the storm, including around Ramp 55 which was opened to

.75 miles to the south.

The dunes at the site of the Old Frisco Pier were destroyed. Dunes impacted in the area of Ramp 55 caused over wash onto the Pole Road, leaving pockets of deep water and quicksand. Additional work will be required before the

road and ORV route can be reopened further to the south.

All other ORV ramps and routes on Bodie and Hatteras Islands are open for 24 hour driving right now other than Ramp 38, which still has one turtle nest that has yet to hatch.

Ocracoke Island suffered greater impact from the storm than Hatteras. The highway pavement had some impacts and the dunes were lost for more than a mile. It will likely take some time before that road and the Hatteras ferry can resume normal operation.

Amazon Smiles on NCBBA

If you shop on Amazon, you can help NCBBA every time you make a purchase. All you have to do is sign up for Amazon Smile. Go to smile.amazon.com. When you sign up, you can designate which organization you wish to support. Choose NCBBA from the list and the Amazon Smile Foundation will donate 0.5% of the price of all eligible purchases you make to NCBBA. Sign up today and begin helping NCBBA with your next purchase!

From Membership

When ordering a replacement plate, the year embossed will be the year you originally joined NCBBA. Please note the ordering process of a replacement tag can take a couple of months. Replacement plates cost \$25.00.

DO NOT pay dues in advance - wait for the renewal notice.

Please inform me of your change of address promptly - you may write, call or email. When a membership renewal notice or newsletter is returned because of an incorrect address, it is expensive for NCBBA and could result in deletion of your membership.

Please pay your dues promptly. According to the constitution, a membership will be deleted if dues are not paid within 90 days of the billing month. Don't let this happen to you. Your membership is important to us!

If you have any comments or questions, please email me at carol.mowers@ncbba.org.

Keep Your Information Up To Date

We want to alert you that you have the option of getting the newsletter via U.S. Mail, email or both. If you sign up for only getting it via U.S. Mail you will not get our other communications which are sent via Constant Contact email. These communications are sent periodically during the year when we have something we want to share outside the quarterly newsletter cycle. We try to keep the emails to a minimum and we do not share your email to any other organizations. We have a number of members with invalid email and/or postal addresses. We work to find correct contact information but we need your help. Please keep your information updated by contacting Carol Mowers and let Carol know your preferred method of communication.

To Our Readers

Letters to the editor must be signed, include the writer's address, a telephone number, and most importantly, your NCBBA number. All letters are subject to editing and approval. Send to: Editor, NCBBA Newsletter, PO BOX 189, Nags Head, NC 27959 or email to Editor@ncbba.org.

President's Corner

by Bill Smith, President, #7126 Life Member

As I sit down to write the last column of the year, it can be a good time to reflect on NCBBA's accomplishments during 2018, but an even better time to look ahead to next year.

You, our members, are the organization's most important asset, the life blood of NCBBA. We would love for 2018 to be the year even more of you take part in our activities.

Let 2018 be the year you sign up for our Operation Beach Respect. Held four times a year, we man the Ramps at Oregon Inlet and on Hatteras Island to greet visitors and other members, pass out trash bags and information, followed by good fellowship and good food together.

We are always looking for members who would be interested in joining our NCBBA Board. This opportunity allows you, as a Director or an Officer, a chance to contribute directly to the organization and to play a role in the future of NCBBA.

Our Annual Meeting is held each Memorial Day weekend. Last year we had a fantastic turnout and would love to have even more of you join us this year.

Our Fishing Citation Program allows each member the opportunity to receive an NCBBA Citation for qualifying fish and then be in the running for our Angler of the Year Award. You can visit our website for program details.

A visit to our website can also update you on our Fishing Teams. This program allows each member to join old friends, or make new ones, as you participate in the Nags Head or Angler's Club Surf Fishing Tournaments.

October brings our annual Red Drum Tournament. We would love to see you sign up to fish or serve as a Tournament Judge. Again, our website is a ready source of information for this event and our other programs, such as our Photo Contest, Scholar-

ship Program, Junior Memberships and Our Member Discount Program.

Finally, as members of NCBBA, each of us can serve as an ambassador for the organization. Let people know what we do and what we are all about. Share NCBBA with your friends and family. Together, let's work to see our membership grow during 2018.

I hope each of you had a great summer. The fall fishing season will soon be upon us in full force and I hope to see you out on the beach.

NCBBA Student Scholarships

by Pam Smith, Secretary, #13271 Life Member

It is never too early to be looking for scholarships and thinking about where to find scholarship money. NCBBA supports higher education for students of Dare County and Ocracoke Island. Each year NCBBA awards one scholarship in each High School in Dare County and Ocracoke to a qualified high school senior. One additional scholarship is awarded to either a member or a member's high school senior. Our Scholarships are for \$500 and are renewable for three years. If you are interested in

applying, see your high school guidance counselor or contact me, Pam Smith at pam.smith@ncbba.org. Please enter "Scholarship" in the email subject line when sending your inquiries.

NCBBA has received thank you notes from some of the NCBBA Scholarship winners for 2018 and we would like to share them with you in this newsletter. Thank you to our membership for continued support of this worthy program.

Secretary's Report: Highlights of Board Meeting: June 23, 2018

by Pam Smith, Secretary, #13271 Life Member

Your newly elected Board of Directors had their first meeting on June 23, 2018 at the Avon Volunteer Fire Station. This meeting followed the morning Operation Beach Respect and Picnic. A special thanks to our members Dave Wigginton, Barbara Hall, Pete East, BJ East, Jerry White, Mike Regan and Bob Rinda. The success of our Operation Beach Respect Program is due to the help and support of our membership. Thank you for volunteering in this important program.

Our newly elected Directors Chris Worthington and Kaity Watts received their assignments and the committee chairmen presented their reports on their respective committee activities. Chris Worthington

agreed to be the chairman of the Fishing Tournaments and the Fishing Citation Program. Kaity will be the chairman of the Merchant Discount Program and will be helping Charles Lockett with the Annual Meeting. The Board of Directors are excited to be working together for you, our members.

The Red Drum Tournament Committee met after the Board of Directors Meeting. This year's NCBBA Red Drum Tournament will be held on October 24th - 27th. This will be the 10th Anniversary of this tournament. There will be over \$10,000 in prizes and awards. We hope to see you Anglers in October.

Scholarship Thanks

Dear North Carolina Beach Buggy Association,

I am honored to be one of the recipients of the North Carolina Beach Buggy Scholarship. Thanks to your generous support, I am the first in my family to attend college. I will be attending Elizabeth City State University to get a major in Entrepreneurship and Marketing. I am committed to my education and to the business administration field. Your scholarship will help me earn the credentials in entrepreneurship and marketing, also to pursue my dream of having my own business on the island. Once again, thank you for your generous support and the North Carolina Beach Buggy Scholarship.

Sincerely,
Guadalupe Martinez

Ms. Smith,

My name is Isabell Eckard, and I am the recipient of the scholarship this year. First, I wanted to say thank you so much for choosing me and helping me reach my educational career goals. Unfortunately, my family and I are unable to come to the meeting this weekend, as we are going to be out of town for Memorial Day Weekend. I am really sorry to miss out on this, but I would like an opportunity to thank your members in any way possible. If nothing else, please pass my gratitude on to them.

Thank you,
Isabell Eckard

"Like" Us on Facebook

If you have not done so already, please pay a visit to our Facebook Page. The page can be found under North Carolina Beach Buggy Association. If you try NCBBA, you may be re-directed to another page started several years ago by members, but it is not the official NCBBA page. With this edition of the newsletter, we now have over 9700 "likes" from members and others who support our organization, and look to our page as a ready source of information. You do the same and "like" us on Facebook!

Join the NCBBA Board of Directors

by Harry Nash, Past President #6980

It is time to begin looking toward our NCBBA election for 2019 and time to begin our search for candidates. In the coming election, we have four (4) director positions on the board to fill.

I remember when I was elected to the Board, as a Director, I knew with the commitment came some work but had no idea how much. Over the years, the effort has been rewarding, has provided the opportunity to meet and work alongside some outstanding people and to feel I'm giving back to the community and the organization.

Working on the NCBBA board can easily involve 250 to 300 hours per year. Each board member is involved with one or more committees. During the two-year term, your attendance would be expected at our four board meetings each year, our four Operation Beach Respect programs, our Annual Meeting and at the annual Red Drum Tournament in October. If we are short judges at the Red Drum Tournament, you may be asked to judge a session or two.

Much of our communication is done via email and requires checking email on a regular basis to stay abreast of issues and information.

If you have ever given any thought to serving on the NCBBA Board of Directors, we hope you will consider stepping up this year. If you are interested please send a short bio, with your contact information and a picture to our Election Chairman, Harry Nash at Harry.nash@ncbba.org by November 20, 2018.

If you would like to attend one of our meetings to see the board in action, please let me know.

NCBBA Summer Citations

by Chris Worthington, Director, #14563

Wow, would be the word I would use to describe the fish turned in for citations thus far. Congratulations on some outstanding catching! With that said fall fishing is finally upon us and I look forward to adding "your" achievements into the mix for the Angler of the year award and granting you a pretty nice looking citation to boot for each one of your trophies.

When you land a nice fish, make certain you check to see if it qualifies for an NCBBA Fishing Citation. It is easy to download the Citation form from our website and submit your entry so you can be recognized for your fish. Your catch must be verified at an NCBBA Weigh Station or witnessed on the form, if the fish is released. Those who

enter and qualify receive a Surf Fishing Citation Certificate and an NCBBA jacket patch.

Participation in the Citation Program also puts you in the running for Angler of the Year. The criteria for this award is outlined on our website, with the winner being announced at our Annual Meeting.

Print off a few Citation forms and keep them handy when you are fishing. Local tackle shops also carry our Citation forms and can assist you in their completion.

Here's hoping that the fall season will bring you plenty of great fishing days and remember, be sure you are recognized for all your Citation fish.

Citation Pompano by Jeff Thomas #15639.

Another Citation for the Thomas family caught by Jean Thomas #15624.

Remember, the Weigh Station weighs the fish. You are responsible for seeing that the citation form is mailed to NCBBA.

TOURNAMENT RULES

1. Official entry form (Anglers Species Report) must be presented when submitting a fish to a tournament official.
2. Fish must be measured & verified by on-duty Tournament Official to qualify for entry.
3. All fish caught on 10/25 must be registered before 11:59 P.M. on 10/25. All fish caught on 10/26 must be registered by 11:59 P.M. on 10/26. All fish caught on 10/27 must be registered by 12:00 P.M. on 10/27. Angler must be registered when the fish is caught. No fish can be entered after 12:00 P.M. on 10/27. **Exception: If fish is hooked prior to 12:00 P.M. the Angler may land the fish provided judge was called before 12:00 P.M.**
4. The Co-Chairman, Head Judge or NCBBA may cancel the complete tournament or any portion of the tournament if circumstances such as bad weather arise. If the complete tournament is cancelled before it begins, a total refund of entry fee will be made. Once the tournament begins, no refunds will be made.
5. All fishing will be governed by IGFA, state and federal rules and regulations.
6. The Co-Chairman or Head Judge reserves the right to disqualify any fish of suspicious nature that is entered.
7. All Anglers will display their fishing gear for examination to any Tournament Official on request. Anglers are limited to 4 rods, per licensed fishing person, that you may actively fish. Do not use unattended rods to take up beach area.
8. Keep the beaches clean - no bait scrap or carcass to be thrown in ocean or left on the beach.
9. Judge cellular phone numbers, provided at tournament, will be used for tournament communications and emergencies only.
10. No nets or gaff may be used by Anglers. No use of boats or other flotation devices may be used for placing baits. No assistance allowed in casting or landing of fish. This is a catch and release tournament except Bluefish and Mulletts.
11. Anglers will need an area working cellular phone. If a judge does not answer, please call roaming judge or closest ramp judge in your vicinity.
12. Surf fishing only, feet must be on the sand. No sound-side fishing. Anglers must only fish in designated beach driving areas. The judge must be able to drive to you in order to score the fish.
13. All measurements will be determined by TAIL LENGTH. In case of a tie, first measured fish wins.
14. All Anglers must have a current NPS Off Road Vehicle (ORV) permit to drive on NPS beaches; available at the Bodie or Cape Hatteras Lighthouse and online.
15. All Anglers must have a valid NC Saltwater Fishing License; available at most tackle shops.
16. In accordance with IRS rules, all winners are required to fill out and sign IRS Form W9 prior to payment/receipt of prizes.

Slight changes in rules & prizes may occur between this printing and the tournament. All entries will be advised of any changes at registration. Co-Chairman, Head Judge and Asst. Head Judge excluded from prizes.

Signup for the 10th Anniversary Red Drum Tournament

by Bill King, Director #1467

Fellow Beach Buggy Members, I am so proud of all of you who have entered this year's RDT so early! We opened the entry period early, well before any year in the past, and by September 1 we already had 183 anglers and 35 of you offering to serve as a judge. When midnight gets here on October 24, we will kick-off the best Red Drum Tournament we've ever undertaken. We will have the most anglers ever and a compliment of judges that will allow us to extend fishing to Ramp 43, which is new this year.

Just a reminder, we can never have too many judges! For newcomers to the premier fishing tournament, your participation as a judge gives you back your \$100 entry fee. The more judges we have will mean a reduction in shifts that have to be covered. See everyone soon at Frank & Fran's, headquarters for NCBBA's RDT!

CHANGE IN TIME FOR TOMMY FARMER CASTING CLINIC

The Tommy Farmer Casting Clinic will start at 8:30 A.M. on Wednesday October 24, 2018. Past participants have highly praised this free clinic. We hope so see a big crowd join Tommy and his team at Ramp 34! Learn from the champ!

10th Anniversary NCBBA Red Drum Tournament 2018 Angler Application

Applications for the NCBBA 10th Annual Red Drum Tournament will be honored on a first paid basis! Those registered by September 1st will be guaranteed their size tournament t-shirt.

Enclosed is my Tournament registration fee of \$100.00; In addition, I have included a Donation of \$_____.

Complete all items legibly.

Make check payable to NCBBA and mail to:
NCBBA 10th Annual Red Drum Tournament,
909 Cedar Drive, Kill Devil Hills, NC 27948

NCBBA Member # _____ Date _____

Name _____

Address _____

City _____ State _____ Zip _____

Cell Phone _____ E-mail _____

Check T-shirt Size: () Small () Medium () Large () XL () 2XL () 3XL or () 4XL

Check each category: Gender: Male () Female ()
Age at Time of Registration: Under 16 () 65 & Over ()

Applications received after September 1, 2018 may not receive correct size T-shirt!
Refunds will be granted until September 1, 2018.

Judges Needed

Please check here if you are interested in judging ()
Please refund my \$100 at registration ()
Keep my \$100 as a contribution ()

At least 36 people are needed as judges for the Tournament. If you are interested in being a judge you will be compensated for your time with a free entry into the tournament allowing you to fish during the times when you are not judging. Each judge is expected to work 2 shifts up to 6 hours each during the 3-day event. Judges will be assigned a ramp to work and will need a 4x4 vehicle to cover a 3 or 4-mile area of the beach between the ramps. If you judge, your entry fee will be refunded during on-site check in at the tournament. Expansion to Ramp 43 will depend on judge availability.

NCBBA may reject any Application and Entry Fee.

2018 Youth Tournament

by Carol Mowers, Director #10999

The 48th Annual Fritz Boyden Memorial Youth Tournament was held June 20, 2018 with a total of 259 junior anglers from 10 different states.

Our awards ceremony at Pamlico Jack's restaurant was the largest ever with over 500 hot dogs, chips, cookies and drinks consumed.

An inspiration to us all was 4 year old Nola Byrne who was a smiley and definitely excited young lady when she caught her 13 ¼ inch spade fish. She is just starting in this age category, so watch out for the future.

Thanks to the following volunteers that helped on the Avalon Pier, Shannon Graf representing the Sea Hags and from NCBBA, photographer Pete East #2928, Barbara Hall #15231, Director Bill King #1467, John Newbold LM#14, Secretary Pam Smith LM#13271, Candis George #15589, Laura Etheridge #11003, Dave Mowers #11935 and Director and Pier Captain Carol Mowers #10999.

A special thanks to Doug Tutweiler and his staff, David Thompson from Sysco foods, TW's Bait & Tackle, Allison Rucker, Pat Cahill, Avalon Pier, Nags Head Pier, Jennettes Pier and the Outer Banks Pier. Last but not least a tremendous thank you to all the volunteers who make the Youth Tournament the best kids fishing tournament year after year.

The sponsors include the Nags Head Surf Fishing Club, NCBBA, NC Sea Hags, the Outer Banks Anglers Club and the First Flight Rotary Club.

Winners in the 4-9 Age Group.

Merchants Discount Program

by Kaity Watts, Director #15520

Greetings Beach Buggy Family, I am a newbie to the Board and have recently taken over managing the Merchant's Discount Program. Living in Avon should give me an advantage in signing up new businesses and merchants having lived here half of my life.

I'm excited to announce our **newest addition to the Merchant Discount Program!** **Turner's High Moon Bar** will now provide a 10% discount on food! I have two potential businesses, one restaurant and one charter operator I'm working with and the winter months should give me ample to grow our lists of merchants. I'll try to nail down these two I mentioned and update the list for the first newsletter of 2019. Happy Fishing and I'll see ya at the Red Drum Tournament.

Auto

- Billy's Truck and Auto Repair - Kill Devil Hills 10%
- Pugh's Car Care Center - Manteo Only 10% off Labor

Lodging/Camping

- Cape Pines Motel - Pet friendly rooms - Buxton 10% - Providing reservations are made directly with Cape Pines Motel at 252-995-5666 or www.capepinesmotel.com. Bookings through other means cannot be at a discount.
- Frisco Woods Camping - 10% (on camping from September 15 to March 5)
- Hatteras Island Inn - Buxton 10%
- Outer Beaches Realty - Avon office - Vacation Home Rental 5%

- Whalebone Tackle - (Excludes Combos, Sale Items) 10%

Fishing Tips? Ask a Fisherman

by Harry Nash #6980, Past President

Over the years I have had the good fortune to fish in many different places for different species in different ways with different tackle. Probably the best advice I ever received was: Ask a fisherman for advice and you will usually learn a lot and make a new friend. As proof I will tell you about a time when I was at Oregon Inlet fishing with a gentleman who was at ease and obviously knew what he was doing. Fishing was slow, but the birds were working offshore. I waited and watched and after a period of no action I started to get ready to leave. He said don't go yet, I think those birds are working fish and they are getting closer. We continued to chat and watch the birds. Sure, enough we were soon into big bluefish. That fisherman was John Newbold #14 and he has been a friend and mentor for many years.

Turn the clock forward to October 2007. John had stepped aside as Editor of the Newsletter and had served as my mentor in becoming the "new" editor. He had agreed to be the Fishing News Editor. In the October-November-December 2007 Issue he offered this advice:

Make a double bottom rig of 40-50 lb. mono. The top loop is baited with a Doodle bug or a home-made version of one and the bottom loop is usually baited with a gold Bear Paw spinner blade hook. This rig is targeted to bluefish but will catch puppy drum. I have used versions of this along with other "Newbold secrets" with success.

You may ask: What is a doodle bug, what is a Bear Paw spinner blade hook? Ask a fisherman! A simple question can open the door to some great adventures.

Urging all Photographers!

REMINDER: DEADLINE TO SUBMIT YOUR PHOTOS - NOVEMBER 20, 2018

by Charles Lockett, Director, #12383

Now is the time for everyone to get geared up for the great photo opportunities! Keep your camera or phone close by so that that perfect shot doesn't slip by! There's no telling what you may see as you travel around the area (landscapes, sunsets, wildlife, etc.)!

Last year, we had a record number of entries, let's break that record this year and don't forget to get the younger members of the family in on the act! We have a special prize category for them as well.

Prizes: 1st place \$75, 2nd place \$50, 3rd place \$25. Junior Member Winner: \$50

Please remember that photo's may be submitted by hard copy and electronically.

Send photos to photos@ncbba.org

For detailed information about submission requirements to go to <https://www.ncbba.org/programs/photo-contest.html>

November 20, 2018 as the cutoff for this year's contest.

Please keep those award-winning photos coming!

Operation Beach Respect and Adopt A Highway

by Bill King, Director #1467

OK OBR friends & team members, we have had a GREAT year and a number of new participants this year helping NCBBA keep the beaches and Hwy 12 clear and clean of litter and trash. Our final event will be an Adopt-A-Highway

clean-up on November 17, 2018. We'll meet at Ramp 4 at 7:30 AM. I look forward to seeing each of you next year as we do it all again in April 2019, and bring a friend.

NC Beach Buggy Association
PO Box 189
Nags Head NC 27954

Dear Beach Buggy Members,

Thank you for supporting Radio Hatteras with your donation of Five hundred Dollars (\$500.00); your support is very important to our success in fulfilling our mission.

The mission of Radio Hatteras is to provide island-specific broadcast radio communications that enhances the safety and quality of life of Hatteras Island residents, visitors and property owners. Radio Hatteras and its facilities are locally owned, governed, operated and supported to the benefit of the audience served. Radio Hatteras is operated on a non-commercial non-profit basis. The corporation is a 501(c)(3) and we are an all-volunteer staff.

Our primary broadcast is on 101.5 MHz in Buxton, and our repeater is on 99.9 MHz in Waves.

Radio Hatteras has a back-up transmitter and a back-up antenna. These back-up units will keep us on the air if any of our equipment is adversely affected by weather. We have established a contingency fund for any unforeseen equipment failures of other broadcast equipment located in our main facility.

We have recently purchased equipment for remote broadcasts to better serve our audience, keeping them abreast of local activities as they happen.

We are required to pay royalty fees for music played, streaming fees, and the feed of the Emergency Broadcast System. Our office telephone is designated as a commercial line; we also have internet access for business, both with their monthly fees. Periodically, we must hire a qualified climber to work on our antenna system which is located atop the tall antenna in Buxton.

This is a list of how monies are spent for the success of Radio Hatteras. With your donation, you make this possible.

We gratefully appreciate your support of Radio Hatteras.

Bill King

WE SUPPORT NCBBA!

A busy and wet summer...

by David Hallac, Superintendent, National Parks of Eastern North Carolina

The summer of 2018 was very busy at Cape Hatteras National Seashore. As of the end of August, Seashore visitor counts were up by almost 10% over last year. May and June tallies reached levels not seen since 2003. Beach driving continues to be a very popular activity with ORV permit sales well above all other years at this time and record sales in July. The only thing stopping visitor counts this summer was rainfall in July. We received over 21" at the Cape Hatteras (Billy Mitchell) airport - almost twice as much as the previous all-time record for the month of July. Many areas in Dare and Hyde Counties were affected by the record rains in July. Neighborhoods in northern Roanoke Island near Fort Raleigh National Historic Site were flooded for over a month following the record July deluge. Although the significant July rain adversely impacted the south end of Lighthouse Road in Buxton, our staff's improvements to Ramps 4, 44, and 49 were very effective.

Wildlife nesting was more successful this year than last with the fledging of

hundreds of tern chicks, many American oystercatcher chicks, several piping plover chicks, and more than 150 sea turtle nests. We appreciate everyone's patience, understanding, and support for wildlife protection throughout the summer.

In case you haven't heard, the Seashore recently started publishing an e-newsletter called Cape Chronicle. To subscribe, email caha_public_affairs@nps.gov. Helpful beach access and ocean safety information is posted daily on our website at <http://go.nps.gov/beachaccess>.

I hope you can visit the new exhibits and recently renovated National Historic Landmark visitor center at Wright Brothers National Memorial, scheduled to reopen at 9:30 am on Saturday, September 29. The visitor center has been completely renovated, top-to-bottom, and brand new exhibits are certain to leave you inspired and proud of the amazing American history that has occurred here, in your National Parks, on the Outer Banks.

Update on Turtle Nest Support

by Lee Barrett, Director #13759

2018 Turtle Nest Watch was a successful year with at least 91 nests. The last nest is expected to boil around Oct 7, 2018. Last year we had a lot more nests but we are not sure why. I witnessed three nest boils this year which is a record for me as typically I see only one nest boil. One member from NCBBA was able to join me watching the turtle nest this year. I would like to share his story with you. His name is Mitch Bademan (#412) and his wife Debra from West River, MD. It is important to note only one female out of 1000 hatchlings typically survive 25 years and most of the hatchlings are male.

"The most memorable experience my wife, Debra, and I recently had was sitting and waiting for the little turtles to hatch under the stars on Hatteras. The challenge was raking ORV tracks at a nest with an ORV corridor to allow vehicles access to both sides of the nest.

The ORV tracks must be made smooth for the little guys to make it to the water while we are doing crab patrol for the ghost crabs and red spotted crabs. At the end of the evening we would rake all traces of us. The bugs could be a little intense at times. It all became worth it when we saw the first little head appear, and then soon another and another and then seeing them start their journey down the road of life, marching to the sea one by one.

When the nest boils all hands are on deck to make sure they get a good start on the journey for a long life in the sea. After they were all in the water we felt we did make a difference but knowing that the females return to lay their eggs in 25 years we did look at the beach and wonder what it will look like in 25 years when they return to the same spot they hatched from. Would we do this again? YES, hope to do it again next year." Mitchell Bademan/Debra Bademan

A beautiful sunset as we wait for turtle nest to boil.

Beach Law Enforcement and Safety

by Bill King, Director #1467

WARNING! The summer storms have left many of our ramps very, very narrow.

If the narrow beach near the dune line looks soft; IT PROBABLY IS! As we approach our 10th Annual Red Drum Tournament, Anglers Beware. We will send NO judge to areas that we have driven and deemed hazardous or at least

treacherous to navigate.

Pick your spots where we can get to you to measure your catches. You may catch the BIG one and it would be a shame it can't be measured due to our judges being unable to reach you. Have a safe and great time on Hatteras fishing the fall season.

Mark Your Calendar -- Upcoming Fishing Expos

Membership

by Carol Mowers, Membership Director, #10999

The fourth quarter of the year starts with a slight increase to include 2428 Adult Members, 1221 Life Members (of which 1140 are Life, 81 are Senior Life) and 61 Junior Members with a total of 3710.

Things are always changing so if you compare these numbers with the numbers in the last issue things are about the same. Updates are constantly being done to the database to keep it as up to date as possible. Please remember that even if you are a LIFE member, you will be deleted if two notices or newsletters are returned. You can update your profile at any time through the Members Only section of the website. Please help me keep the database as accurate as possible. If you cannot access the Members Only section you need to let me know.

Please see the Youth Tournament Article in this issue of the newsletter. It was a great turnout with beautiful weather. Thanks to all that helped at the Avalon Pier.

The fall tournament season is very close. Good luck to all that will be participating in tournaments. It is a wonderful time of year to be outside and enjoying the fishing.

NCBBA Dues Increase 2019

We have kept our dues at the same level since 1998 (20 years!) but unfortunately, the cost of new tags has dramatically increased as has the cost of postage and other office supplies. Therefore, starting January 1, 2019, new membership will increase to \$35.00 and renewals will increase to \$25.00. Junior Membership will stay the same, \$5.00 for new and renewals, Life Membership will increase to \$375.00 and Senior Life to \$225.00. These prices are comparable to other organizations along the East Coast.

A special thanks to the following who have made generous contributions:
